Sunday September 28

Plenary Sunday September 28 - 17.00-18.30

 Chair:
 A. Finset
 Room: Forum

 Smets E.M.A. (Ellen)
 General Welcome

Levi, M.M. (Marcel) President of the Board of Directors of the Academic Medical Centre of the University of Amsterdam Groenewegen. P.P. (Peter) Managing director of the NIVEL (Netherlands institute for health services research)

Deveugele, M. (Myriam) President of EACH
Saha, S (Somnath) Welcome from AACH

Keynote Frans B. M. de Waal, PhD Prosocial Primates: Empathy in Animals and Humans

Welcome reception Sunday September 28 - 18.30-1930

Monday September 29

		Miditary September 29
Plenary		Monday September 29 - 8.30-9.45
Chair:	G. Elwyn Deveugele, M. (Myriam)	Room: Forum Announcement of EACH, t-EACH and r-EACH meetings
	Rosenbaum, Marcy	Announcement of Paring with Colleagues program
Keynote	Anne M. Stiggelbout, PhD	Shared Decision Making: past, present, and future
01A Chaire	Teaching communication skills 1 M. Deveugele	Monday September 29 - 10.00-11.30
Chair: 01A.1	Bellandi, T (Tommaso)	Room: Forum Training through simulation for an effective communication of sentinel events
01A.1	Joekes, K. (Katherine)	Teaching Medical Students about Dealing with Violence and Aggression in Medicine: Facing their Fears.
01A.3	Ehrlich, N.D. (Naomi)	Difficult patient encounters: setting a limit while preserving a good relationship
01A.4	Flint, H.F. (Hilary)	Discussing serious news: Teaching communication skills through role play with bereaved parents
01A.5	Beach, M.C. (Mary Catherine)	Effects of Minimal vs. Intensive Intervention to Enhance Motivational Interviewing in HIV Care
01B Chair:	Diversity 1 G. Essers	Monday September 29 - 10.00-11.30 Room: E-102
01B.1	Zain-ul-abdin, KZ (Khawaja)	The effect of Facebook social marketing campaigns on attitudinal norms towards women's health in
01B.2	Adams, A.E (Ann)	Doctors' communication style or race/gender concordance: what is more important to patients when disclosing depression?
01B.3	Mazzi, Maria Angela	Focus group on doctor-patient communication in standardized gynecological consultations. A gender analysis using mixed methods
01B.4	Siminoff, L.A. (Laura)	Primary Care Physician Communication Differences Based on Standardized Patient Gender and Race
01B.5	Hall, J. A. (Judith)	Physician Gender, Patient-Centeredness, and Patient Satisfaction: A Study in Three Practice Settings
		within a Hospital
01C	Nursing 1	Monday September 29 - 10.00-11.30
Chair: 01C.1	L. Ellington Pereira, L. (Lígia)	Room: E-103 Preoperative anxiety in ambulatory surgery: the role of professional care
01C.1	Bylund, C (Carma)	Responding Empathically to Patients: Development of a Communication Skills Training Module for
01C.2	Mollerup, A.M. (Annette)	The effectiveness of the Healthy Skin Clinic, a tailored nurse-led counselling in hand eczema
01C.4	Noordman, J. (Janneke)	Consequences of task delegation for the process of care: female patients seem to benefit more
01D Chair:	Communication technology 1 K. Cameron	Monday September 29 - 10.00-11.30 Room: E-104
01D.1	Kvist, M. (Maria)	The easy-to-read perspective on text simplification of radiology reports for the layman
01D.2	Lanier, C.L. (Cédric)	Can we improve residents' patient centeredness while using electronic health records (EHR) during
01D.3	Drossaert, C.H.C. (Constance)	medical encounters? Impact of patient-accessible Electronic Medical Records in rheumatology: use, satisfaction and effects on
01D.4	Bitzer, E. M. (Eva Maria)	empowerment Patient attitudes to a personal controlled health record – associations with health literacy? - Results from
010.4	bitzer, E. ivi. (Eva iviaria)	a survey among chronically ill patients
01E	Shared decision making 1	Monday September 29 - 10.00-11.30
Chair:	A. Pieterse	Room: E-105/106
01E.1	Barr, P.J. (Paul)	The psychometric properties of Option Sitem, an observer measure of shared decision making process: interim-analysis
01E.2	Geiger, F. (Friedemann)	Validating SDM-MASS as a compound measure for shared decision-making integrating patient's,
01E.3	Liethmann, K. (Katrin)	physician's and observer's view Investigating a Training Supporting Shared Decision-Making (IT'S SDM): Multiperspective results from a multicenter RCT
01E.4	Ishizaki, M. (asato)	The underlying causal structure explaining patients' satisfaction for shared decision-making in
01E.5	Thompson, Rachel	chemotherapy Patient-reported measurement of shared decision making: The development, validation, and pilot implementation of CollaboRATE

		LACIT 2014 Conference - Full program
01F	Non-verbal behaviour	Monday September 29 - 10.00-11.30
Chair:	L. Del Piccolo	Room: E-107
01F.1	Correia Acácio, P. (Patricia)	Face and body emotions recognition and communication – a study in psychiatric nurses
01F.2	Gorawara-Bhat, R.G.B. (Rita)	Verbal and Nonverbal Communication of Concerns in Older Adult and Physician Clinical Encounters
01F.3	Hiller, A. (Amy)	The communicative power of touch in the patient-physiotherapist interaction
01F.4	Hamel, Lauren M.	Behavioral Manifestations of Race-based Attitudes in Oncology Clinic Visits: A Pilot Test of a Nonverbal
		Communication Coding System
01F.5	Rowbotham, S.	Seeing speakers' gestures can help people to understand their pain
	,	German German German and Property and Proper
01G	Symposium	Monday September 29 - 10.00-11.30
OIG	Symposium	·
		Room: E-108
Chair:	Gerwing, J.	Re-conceptualizing language differences: Methodological and pedagogical opportunities from analysis of
	Discussant: Finset, A.	clinical dialogues
01H	Symposium	Monday September 29 - 10.00-11.30
	, .	Room: D-403
Chair:	Chair: Beckman, H.	Soliciting Patient's Goals: Starting on the Right Path to Shared Decision Making
Citair.	Chair. Beckman, 11.	Soliciting Patient's Goals. Starting on the Night Path to Shared Decision Making
011	Workshop	Monday September 29 - 10.00-11.30
		Room: D-404
	Quilligan, S.A. (Sally)	The introduction of the computer into the consultation: implications for medical education
01J	Workshop	Monday September 29 - 10.00-11.30
0_0		Room: D-407
	Loureiro, E.M.F.L. (Elizabete)	Enhancing communication for effective and efficient Healthcare Teams
	Loureiro, E.M.F.L. (Elizabete)	Emailing communication for effective and efficient nearlificate reams
01K	Workshop	Monday September 29 - 10.00-11.30
		Room: D-408
	Sauvé, C. (Claire)	Peer-Led Discussion Modules: Introducing Concepts of Empathy in Inter-professional Communication in
		Healthcare
		Tedition
Dofrach	ment break	Monday Santombor 20, 11 20 12 00
Keiresii	ment break	Monday September 29 - 11.30-12.00
02A	_	Monday September 29 - 12.00-13.30
Chair:	S. Eidelman	Room: Forum
	Duggan A.D. (Achlou)	Toward an Integrated Approach to Exploring the Private Written Reflections of Family Medicine
02A.1	Duggan, A.P. (Ashley)	roward an integrated Approach to Exploring the Frivate Written Reneedlong of Family Wedlenie
02A.1	Duggan, A.P. (Asmey)	Residents' Writing
02A.1 02A.2	Wagner-Menghin, M. (Michaela)	Residents' Writing
02A.2	Wagner-Menghin, M. (Michaela)	Residents' Writing "I am satisfied with" – How do student derive a self-judgment about history-taking performance?

EACH 2014 Conference - Full program Monday September 29 - 12.00-13.30

02E Chair:	Shared decision making 2 I. Henselmans	Monday September 29 - 12.00-13.30 Room: E-105/106
02E.1	Lavie-Ajayi, M. (Maya)	The perspectives of patients and physicians on health care for patients suffering from mental illness
02E.2	Loughland, C.M. (Carmel)	Communicating a schizophrenia diagnosis: The perceptions and experiences of patients and carers
02E.3 02E.4	Van Audenhove, C. (Chantal)	The 'we DECide'-intervention: Advance care planning for nursing home residents with dementia 'I don't have a problem taking antidepressants, but it's just masking the problem'. What matters to
U2E.4	Kirkpatrick, S. (Susan)	people when they are diagnosed with depression?
02F	Preparatory patient tools J. van Weert	Monday September 29 - 12.00-13.30
Chair: 02F.1	O'Donnell, M. (Máire)	Room: E-107 Sharing personalised clinical information with people with type 2 diabetes prior to their consultation: the effect on glycopmic control.
02F.2	Brandes, K. (Kim)	effect on glycaemic control An evaluation of advanced cancer patients' and caregivers' use of a Question Prompt List
02F.3	Coyne, I.C. (Imelda)	Development of an e-health intervention to provide information and prepare young people (with longterm illnesses)
02F.4	Zanini, C.	A pre-consultation sheet to capture chronic pain patients' perspective. A qualitative study
02F.5	Jacobs, M.	A web-based question prompt sheet for the initial follow-up consultation after esophageal cancer surgery
02G	Symposium	Monday September 29 - 12.00-13.30 Room: E-108
Chair:	Arora, N.K. (Neeraj)	Monitoring the Quality of Patient-Centerede Communication in Cancer Care: Methods, Measures, and
	Discussant: Hesse, B.W.	Population Surveillance
02H	Symposium	Monday September 29 - 12.00-13.30 Room: D-403
Chair:	Schulte, P.J.F. Discussant: Aelberts-van de Ven,	A new Dutch prototype of group psychoeducation for bipolar patients and their key-persons C.
021	Workshop	Monday September 29 - 12.00-13.30 Room: D-404
	Smith, R.C.S. (Robert)	Primary Care Mental Health: Diagnosis and Treatment
02J	Workshop	Monday September 29 - 12.00-13.30 Room: D-407
	Hulsman, R.L. (Robert)	Video Fragment Rating: connecting self-evaluations and peer-feedback to web-based review of video taped clinical performance
02K	Workshop	Monday September 29 - 12.00-13.30 Room: D-408
	Silverman, J.D. (Jonathan)	Training simulated patients for use in experiental communication teaching - sharing common challenges and solutions
Lunch b		Monday September 29 - 13.30-14.30
	with Colleagues program	Monday September 29 - 13.30-14.30
03A Chair:	Teaching communication skills 3 E. van Weel	Monday September 29 - 14.30-16.00 Room: Forum
03A.1	King, A.M.K. (Ann M.)	Targets for Improvement: Medical educators' views on trainees' communication skills
03A.2	Jünger, J.J. (Jana)	A national, longitudinal exemplary communication skills curriculum for undergraduate medical education
03A.3	Schopper, H.K.	 current state and prospects Observation and feedback on communication skills during clinical rotations
03A.4	Schmid, Dagmar	On the transfer of communication skills from the lab to the real world
03A.5	Bylund, C.L. (Carma)	Implementation of a Communication Skills Workshop for Physicians in Qatar
03B Chair:	Diversity 3 J. Gerwing	Monday September 29 - 14.30-16.00 Room: E-102
03D.1	Woodward-Kron, R. (Robyn)	Junior doctor intercultural clinical communication: Lessons for transition to practice medical education
03D.2	Chewning, B.A. (Betty)	Pharmacists' Willingness to Attend a Workshop on Medication Regimen Adjustment for Muslim Patients during Ramadan
03D.3	Lewis, P.R. (Peter)	Review of a Standardized Patient Medical Student Training Exercise. Presenting and Promoting Culturally Humble & Competent Communication-Working with the Adult Amish Patient
03C	Professional behaviour 1	Monday September 29 - 14.30-16.00
Chair: 03C.1	C. Zimmerman Beach, M.C.B. (Mary Catherine)	Room: E-103 What patient characteristics engender a respectful affect among physicians?
03C.2	Van der Cingel, C.J.M. (Margreet)	Compassion, a guiding principle for quality of care. In search of compassion as a core-competence for caregivers
03C.3	Adams, Rachel	The Role of Linguistic Politeness in Patients' Participation in Decision-Making in Primary Care
03C.4	Rimondini, D.R. (Michela)	You only have one chance for a good impression!
03C.5	Flickinger, Tabor	Is healthcare providers' respect for patients associated with communication behaviors in clinical

encounters?

		EACH 2014 Conference - Full program
03D Chair:	Communication technology 3 J. Jansen	Monday September 29 - 14.30-16.00 Room: E-104
03D.1	Buckingham, C.D. (Christopher)	Integrating patients' and clinical mental health expertise within a single online decision support system:
03D.2	Bolle, S. (Sifra)	myGRiST Outcomes of Patient-Directed Online Health Information Tools for Older Patients: A Systematic Literature
03D.3	Van Uden-Kraan, C.F.	Review Developing and piloting an eHealth application targeting cancer survivors
03D.4	Riva, S.R. (Silvia)	Effectiveness of an internet-based intervention for people with chronic back pain (cbp): a randomized controlled study
03D.5	Schrijvers, J. (Jessie)	Identifying key components of a web-based decision aid for treatment choice of localized prostate cancer
