

# Global Empathy in Healthcare Network Symposium 2025: 'Rehumanising Healthcare in a Divided World'

**WHEN:** 15-16 September 2025

**WHERE:** College Court Conference Centre and Hotel, Knighton Road, Leicester, UK

Join us for this symposium which will examine how we can rehumanise care in an era of technological advancements, remote interactions, and rising healthcare divides.

The Global Empathy in Healthcare Network is the only organisation in the world that brings together all empathy centres and experts from around the world.

- Keynote presentations
- Workshops
- Collaborative discussions
- Connect with global experts
- Share insights
- Learn actionable solutions for fostering compassionate, patient-centred care in a digital world

Open to healthcare professionals, researchers, educators, and advocates from around the world.
